

St. Bercherts Tuatha Saxon
and its 'cell lands' (cill
kill)

Did this semi-cenobitic spread of cells
exist prior to the arrival of Berchert and
his large following of Saxon monks?

- How does this Kilberchet (cell of St. Berchet) tie in with Kilberchet townland in Aphabuloge townland by Donoughmore's great monastery to the south of the Blackwater River which rises to the west of Tuatha Sean in Ullachreithe Mts.? How does this Kilberchet tie in with Keelberchet on the south slopes of the Glen of Aherlow, Tipp.? All the same person or namesakes?

The Cell Lands of Tuatha Seson? ^{Developing} a landscape?
